Studio 68 is proud to offer the following classes:

Ballet emphasizes balance, control, and grace. It is the foundation for all forms of dance. Classes are offered to girls age 2 and up and boys who are at least 4 years old.

Pointe classes are available to intermediate and advanced students age 10 and older with at least 3 years of serious ballet training. Students must also be enrolled in a weekly ballet class. Enrollment is with the instructor's permission only.

Tap focuses on combining rhythm and sound with music. This class is available to boys and girls who are 5 years old and up.

Jazz has several styles, from blues to pop to hip-hop. Our jazz students will be exposed to many different styles. It's offered to students 5 years old and up who have completed a full year of ballet training. Students must continue taking ballet.

Lyrical dance is strongly influenced by both ballet and jazz styles. It will strengthen complete dance and performance skills and emphasizes musicality and expression through dance. This class is available to any student age 7 and up with at least one year of ballet experience. Students must continue taking ballet.

Hip-Hop has evolved from street dancing into one of the most popular styles of dance today. This class is available to any student age 9 and up. No previous experience or other classes are required.

Acrobatics focuses on basic tumbling and mat work that would be beneficial for dancers, such as cartwheels, partner tricks, and walkovers to name a few. Students looking for advanced or power tumbling should visit our neighbor, Yadkin Valley Gymnastics.

Adult classes are offered in ballet, tap, and jazz based on interest.
